WELCOME NOTE

As we have passed the midway of the second term, we pause with gratitude to acknowledge the Lord's continued guidance and protection over our learners and the entire school community.

Our learners have shown commendable progress, not only academically, but also in their personal growth and development across a range of areas.

WHAT'S IN THIS ISSUE:

- Welcome note
- Health issues
- Sports news
- Events
- Marimba & School expansion

HEALTH ISSUES

This time of the year often brings an increase in flu cases. To help keep everyone healthy, we kindly ask that any learner showing flu-like symptoms be kept at home until they have fully recovered. This helps prevent the rapid spread of illness and protects the wellbeing of our entire school community.

Sports News

Every Tuesday , the grounds come alive with energy, teamwork, and determination as learners participate in their weekly sports sessions. It has been inspiring to watch them thrive, not only in skill but also in confidence, discipline, and team spirit.

Our learners continue to show exceptional dedication and enthusiasm. We're proud of their progress and the way they support and motivate one another.

We would like to extend our heartfelt thanks to all parents and guardians who purchased hockey sticks for their children. Your generosity and involvement play a key role in enriching sporting activities and giving our learners the tools they need to succeed on and off the field.

We look forward to an exciting season ahead filled with growth, determination, and plenty of goals!

Events

AFRICA DAY

We celebrated our Africa day on the 23rd of May 2025 & the day was a success with our learners making their various presentations.

Thank you very much for the donations and support rendered on this day.

FATHER'S DAY CIVVIES

On the 13th of June 2025, we honoured the incredible fathers in our school community with a day full of joy and laughter.

Our learners embraced the spirit of the occasion by dressing up like their dads and uncles, some even went the extra mile imitating the way they speak, walk, and dance!

It was truly a heartwarming and lively celebration, filled with fun and creativity

CONSULTATION DAY

We would like to thank all parents and guardians who participated in our Consultation Day. With an outstanding average attendance of 95%, the event was a true reflection of the strong partnership we share in supporting our learners' progress. The day was filled with meaningful conversations, valuable insights, and a shared commitment to nurturing each child's growth.

Pride in Excellence

MARIMBA COMPETITIONS

The Grade 3 Marimba Band proudly represented us at the Kubatirana/Ukubambana Music Festival, held at Tynwald Primary School. Out of six participating schools in the Junior category, our Grade 3 learners secured an impressive 2nd place, earning a remarkable score of 78.9%.

We are tremendously proud of their outstanding performance and the dedication they continue to show.

Well done, Harmonies!

EXPANSION PROJECT

We are delighted to notify you that our school has secured the land directly opposite our current premises! This marks a major milestone in our journey of growth and excellence. This will allow us to expand our facilities, enrich our learning environment, and accommodate the exciting future we envision for our children. From additional classrooms to creative spaces, we will be building with our learners' dreams and potential in mind.
